

I understand that K-LOVE, a wonderful spiritual radio station based in California that my whole family listens to, is being threatened by LPFM. I must voice my opinion in protest of this action. K-LOVE is an inspirational radio station that has Christ and His word as the basis of all their music, teachings and scriptures. They reach out to hundreds and probably thousands of people who are hurting in this world to help them find hope and inspiration in their lives. As a citizen of Grand Junction, I can tell you that not only do my teenage children and myself listen to this good programming on a daily basis, but so do my ex-husband and his wife who are now regular church members and live in Grand Junction as well. Most of my Christian friends also listen to K-Love and for some of them, it is the only music they listen to.

The effect of K-LOVE possibly being replaced would be devastating!! Daily people call in who have lost all hope, to have their faith restored by Christian music and a help line offered 24/7 by this awesome radio station. I have been a sponsor of K-LOVE for going on two years, and my daily routine and especially Sunday routine would be crushed without the inspiration of this radio station. I am proud to say it was my children who brought me to this modern Christian music on K-Love. I was brought up in the church and am familiar with many hymns, but this was my first experience with modern Christian music, which I greatly enjoy.

Please, please do not threaten the voice of this awesome radio station who reaches so many down and out people to help them find hope in this cruel world!! Thank you.
